## Pharmacy by Agelity

As a leader in the pharmacy benefit services industry, Agelity's primary goal is to help organizations and individuals contain prescription drug costs.

The Agelity program boasts one of the largest pharmacy discount networks in the country with well over 53,000 participating pharmacies including every major pharmacy chain from CVS to Walmart and thousands of independent pharmacies.

Agelity can deliver savings of up to 40% on generic drugs and 20% on brand drug prices. Agelity also offers mail order service with richer discounts for people on maintenance drugs.

All brand and generic drugs that are FDA approved can be dispensed by the pharmacies under this program. There are no waiting periods, enrollment requirements or claim forms. You may use your card as many times as you like and all family members are eligible.

## How To Use The Program

### Step 1

Activate your card by calling: 1-866-207-3340. Have your card ready. The service representative will enter your information into the pharmacy system.

### Step 2

Use the Pharmacy Locator on our website to find participating pharmacy near your location.

You can also use the Drug Pricing Look Up tool on our website to identify which local pharmacy has the lowest price. You will see a list of all the different forms and strengths of the drug you entered. Click on the pill bottle icon for the drug you have been prescribed, then define the quantity and zip code for your area. The system will automatically sort by the lowest price, however, you can also sort by distance.

You are given the option to see a list of generic alternatives, their price, and the cost if you order through the mail order option.

### Step 3

Decide the best option for you and then take your prescription to a participating pharmacy and present your Optimized Benefits card to the pharmacy staff.

Your prescription will be filled with the Agelity discount applied to save you money on your order. Then pick up your prescription and pay the pharmacy directly. There are no member fees or hidden costs!

## Vision by Davis Vision

Davis Vision was founded in 1964 with a mission to improve the quality and cost-effectiveness of eye care delivery. Today, over thirty million people trust their vision care to Davis Vision.

The Davis Vision program allows you to enjoy a discounted fee schedule for eye examinations and eyewear through a network of participating providers.

You pay for the services on an as needed basis and will be able to receive a complete pair of single vision lenses with the plan supplied Designer frame selection for only \$98. Pricing Information is on our website.

For complete program details, including an interactive 3-D eye glass frame viewer, visit Davis Vision's Member Menu Website. The link to this site is on our website.

## How To Use The Program

### Step 1

Activate your card by calling: 1-866-207-3340. Have your card ready. The service representative will enter your information into the system.

### Step 2

Call Davis Vision at 800-783-3594.

**The automated system will ask for your "Client Control Number". This four digit number is located on the front of your card as "Vision Code". Enter this number followed by the pound (#) sign.**

You can use the automated system to obtain basic service pricing information, to locate a network provider in your area and to listen to information on a laser correction service benefit. You can also dial zero to speak with a representative for questions and to make purchase arrangements.

The value advantage program entitles you to purchase services, such as routine examinations, frames, lenses and contact lenses at discounted prices. To take advantage of this benefit, you must first prepay DV for basic services and then make an appointment with a participating provider. Basic services may be purchased by Visa, Master Card, a personal check or a money order. All co-payments for lenses enhancements, such as tints or coatings are paid directly to the provider at the time of service.

Pricing Information is on our website.

Please note: your social security number and description of the service(s) needed will be required. If services are being requested for a dependent, you must also provide their name, date of birth & service(s) needed.

### Step 3

Use the Provider\_Directory to locate and then contact a participating provider to schedule an appointment.

### Step 4

Following your examination, you may select eyeglasses from a broad arrangement of styles, colors and sizes. If you have a valid eyeglass prescription, no additional examination will be necessary. However, we suggest you confirm with your provider that the office accepts outside prescriptions.

### Step 5

Your finished eyewear will be returned to the provider's office for dispensing along with a one-year unconditional warranty against breakage (eyeglasses completely provided by the Davis Vision laboratory only).

### Step 6

All charges for the examination and eyewear will be applied against the credit card you provided.
